60 ACCESSORIES

WOVEN MATERIALS

We choose from only the highest quality materials ensuring our products stay at their best through years of use.

CLASSIC

The **Classic** collection is woven in a traditional basket style weave using 3mm Classic White Rose Fibres. Comes with a 10 year warranty.

MONTE CARLO

The **Monte Carlo** collection is woven in a traditional basket style, in a 3mm textured grey round synthetic weave. Comes with a 3 year warranty.

OCEAN

The **Ocean** collection is woven in a unique 'V' and open weave pattern using 7mm & 12mm flat triple tone bronze Rose Fibres. Comes with a 10 year warranty.

ALUMINIUM FRAMES

Our **Aluminium frames** are welded by hand and then powder coated to protect against corrosion. The powder coating is colour matched to the Rose Fibres before weaving commences. Comes with a 10 year warranty.

OCEAN PEARL

The **Ocean Pearl** collection is woven in a traditional basket weave pattern, using 7mm flat Pearl coloured Rose Fibres. Comes with a 10 year warranty.

OLEFIN CUSHION FABRIC

Our **Olefin** cushion fabric comes in Oatmeal, Charcoal, Pearl and Classic Blue. It is made using 100% dyed premium **Olefin** yarns, making it rot and fade resistant. The cushions can be easily brushed clean using a household cleaner or a diluted bleach solution for more stubborn stains. Comes with a 2 year warranty.

SAN MARINO

The **San Marino** collection is woven in a traditional basket style weave using 3mm Red Pine Rose Fibres. It has a rope trim around the edges. Comes with a 10 year warranty.

WOVEN STORY

Alexander Rose commenced production of woven furniture in 2006 and started our presence in a new and expanding market with products meeting the customer desire for low maintenance, high quality outdoor furniture. It was immediately evident from customer response that we had much to offer the market with our unique designs and high quality weaving.

In 2007 we invested in our own purpose built factory on the island of Cebu in the Philippines, in order to directly manage the production and delivery of our own quality furniture. Since that time, the demand for weave furniture has increased considerably and we moved to a larger factory to accommodate the greater demand.

Our in-house aluminium framing department skilfully fabricate and weld the intricate carcasses that are then powder coated in colours to match the Rose Fibre before weaving commences.

At our factory we implement best practice environmental policies; the synthetic weave and aluminium raw materials are 100% recyclable, and all wastage is reused to make small components on many of our products.

As you scroll through our catalogue you will see the wonderful variety and choice of furniture we have to offer. This is handmade by our experienced craftsmen who produce what we believe to be amongst the most beautiful woven furniture in the world today.

CLASSIC

3mm Round Weave

10 YEAR
WARRANTY

Its traditional lines and elegant basket style weave celebrate the artisan craft of hand weaving, passed down through the generations. **Classic** is built to stand the test of time and will provide years of enjoyment.

The collection is woven in a premium 3mm white Rose Fibre and features a choice of open or closed weave chairs each with a distinctive wide rim. Cushions are offered in a classic blue colour as standard, and can also be supplied in either charcoal or pearl.

New into the collection for this season is the **Oyster Chair** – an eye-catching statement piece that oozes style, class and sophistication.

OCEAN

7mm Flat Weave

10 YEAR
WARRANTY

Inspired by the sea, the **Ocean** range will bring a tropical seaside touch to your outdoor living space.

This range embodies the innovation of Alexander Rose, continuing to challenge the boundaries of design and functionality.

The **Ocean** range is woven in a beautiful 'V' and open weave pattern using 7mm & 12mm flat triple tone bronze Rose Fibres. **Ocean** cushions are made using oatmeal olefin fabric and come with a 2 year warranty.

OCEAN PEARL

7mm Flat Weave

10 YEAR
WARRANTY

Alexander Rose introduced the **Ocean Pearl** to celebrate 10 years of the established Ocean collection.

The mixed tones of the Pearl coloured Rose Fibres gives a lighter option to the Ocean Bronze, whilst keeping the iconic designs of the original Ocean Bronze range. **Ocean Pearl** is woven in a 7mm flat Rose Fibre in a traditional basket style pattern.

Ocean Pearl cushions are made using pearl olefin fabric and come with a 2 year warranty.

ACCESSORIES

2 YEAR
WARRANTY

Enhance your outdoor space with our extensive range of **accessories**; from colourful scatter cushions and parasols to protective furniture covers and treatments.

We offer a selection of weather resistant storage bags for your cushions, which we recommend you use to protect them from the elements.

For personalising your timber furniture, we offer an engraving service directly onto the timber or a choice of brass or stainless steel plaques.

For full warranty policy on our range of **accessories** please refer to our website.

HARDWOOD PARASOLS

HARDWOOD PARASOLS

Alexander Rose hardwood parasols are operated using a pulley and locking pin system. Simply pull the rope down to raise your parasol up to the desired height and place the brass pin in one of the pole holes to secure. To lower the parasol remove the locking pin and slowly let the rope pass through your hands until the canopy is folded. We recommend that the parasol is not left up in windy conditions. It is essential to use an Alexander Rose base to add stability. Comes with night covers.

CANTILEVER PARASOLS

CANTILEVERS

Our elegant cantilever parasols can be positioned to provide maximum shade. They appear to float above the furniture and can be manually rotated to follow the sun. They are free standing, which allows you to position the furniture underneath rather than around a central pole as with conventional designs. The crank mechanism enables effortless use.

The parasols are made using lightweight durable polyester fabric which is water resistant and easy to clean. To clean your parasol we advise that the fabric is kept attached to the frame. For best results use a soft brush or broom and warm soapy water. For more stubborn stains the canopy can be removed and washed at 30°C. Once washed it is important to put the canopy back on the frame to dry.

UHP

The UHP parasol is easy to operate with the simple handle and lock mechanism. To rotate the parasol simply unlock the handle and move into the desired position, and then lock the handle to secure. The UHP can be easily bolted to an Alexander Rose UHGB50 granite base. To be used with a FC17 cover.

UH30

The UH30 is an 18 spoke curved 3.0m cantilever parasol. As with the UHP it is easy to raise and lower the canopy with a crank handle mechanism. The canopy can be adjusted into 7 positions to give maximum shade from the sun. The parasol also has a foot operated pedal for 360° rotation. For use with the UHGB90 granite base. Comes with a night cover.

UH35/UH35LARGE

The UH35 parasol has a unique design, tilting to 180° to cover the slightest of angles and protect everyone from the sun. The main feature is the ability to spin 360° on its axis. Easy to operate with the simple crank handle, you will be shaded from the sun in seconds. It can be easily bolted to an Alexander Rose UHGB90 granite base. Comes with a night cover.

* UH35-LARGE requires two UHGB90 bases, which are then bolted together.

BASES

GRANITE BASES

For freestanding parasols we recommend using either a GB20 (20kg) or GB30 (30kg), however if you are using parasols through the centre of a table you can use the GB11 (11kg) for a 4 seater set and GB20 (20kg) or GB30 (30kg) for 6 seater sets or more.

COMPOSITE BASE

The composite base is for use with parasols being used through the centre of a table.

It has 2 locking handles on the stem of the base to secure the parasol in place, minimising movement.

CANTILEVER BASE (50kg)

The UHGB50 base is designed to be used with the UHP range of cantilever parasols.

It has convenient small wheels, allowing the base to be moved along a flat surface easily.

CANTILEVER BASE (90kg)

The UHGB90 base has been designed to be used with the UH35 and UH30.

The UHGB90 has locking wheels to secure the parasol and prevent any movement.

CANTILEVER BASE (2 x 90kg)

The UH35LARGE has been designed to be used with 2 UHGB90 bases, one on top of the other. They need to be bolted together with the bolts provided.

The UHGB90 has locking wheels to secure the parasol and prevent any movement.

STORAGE BAGS

CUSHION STORAGE BAGS

Our cushion bags come in 3 sizes; small, medium and large, to accommodate your set of cushions. All of our bags are weather resistant. We recommend storing the cushions in the bag in a dry place when not required.

SMALL CUSHION BAG

The small cushion bag is designed for furniture cushions, it will also hold several scatter cushions.

LARGE CUSHION BAG

The large cushion bag is designed for our larger cushion pieces, such as the Ocean Hut, modular sofa sets and Beach Lounge sets.

MEDIUM CUSHION BAG

The medium cushion bag is designed for sofa set cushions and many other sizes of cushion.

FURNITURE COVERS

FURNITURE COVERS

The covers protect against the build up of dirt and ensure less furniture maintenance is required. They are designed to be removed and installed easily so you can enjoy your furniture straight away. The covers come with ties and cords for securing to the furniture.

FURNITURE COVERS & LAZY SUSANS

TENT EFFECT

Depending on the type of Alexander Rose furniture you have, it may be necessary to place an object such as a bucket between the furniture and the cover. This will reduce the amount of sagging and will help the airflow around the furniture, this will prevent the chance of rotting occurring.

WEAVE MAINTENANCE

We recommend that woven furniture is cleaned at least once a year. It is important to use a non-foaming cleaner on woven furniture, as a foaming product will leave residues in the gaps in between the weave which will then attract dirt.

A pressure hose on a wide spray setting is acceptable to use on woven chairs at a distance of approximately one metre from the product. Tables should be cleaned carefully with a sponge and a cleaning agent. Follow the instructions below:

- Apply lukewarm water with a soft cloth or sponge.
- Brush the furniture clean with a soft scrubbing pad.
- Rinse furniture well with clean water.

Scratch marks or abrasion to the edges of the fibre can be repaired by very briefly and carefully applying heat (i.e. a hair dryer) to the affected area and rubbing along the length of the fibre with a piece of hard cardboard to restore a smooth edge. To clean the table top glass we suggest the use of any household glass or window cleaner.

ROSE FIBRES

Alexander Rose woven furniture is made from only the highest quality synthetic man-made fibres available, Rose fibres (Excluding Monte Carlo). Rose fibres are UV and fully weather resistant, and also insensitive to differences in temperature. The Rose fibres are produced by Viro, and are tested rigorously to ensure they meet our exacting standards.

The structure of all our woven furniture is made from fully welded, powder coated aluminium frames. The aluminium tubes we use have a wall thickness of 1.5mm to provide maximum strength and a lightweight frame. Once a frame has been covered in its woven skin the furniture becomes even stronger. The aluminium frames are electrostatically powder coated to prevent them from oxidation, and the finish is invisible once it has been woven over. Our weavers are highly skilled and are often 2nd and 3rd generation weavers. They use their traditional experience with natural materials and apply their skills to using the modern man-made wickers.

CUSHION CLEANING TIPS

1. Brush off any loose dirt.
2. Prepare a cleaning solution of 1:16 mild detergent to lukewarm water.
3. Use a sponge or a soft bristle brush to clean.
4. Allow cleaning solution to soak into the fabric.
5. Rinse thoroughly to remove all soap residue.
6. Allow fabric to air dry.

Do not dry clean, iron, steam iron or tumble dry cushions.
Do not use bleach or strong detergents.
