Frigate

Stacking chair, 2018

Frigate Stacking chair

Designer: András Kerekgyártó

The Frigate models offer a high level of comfort and ergonomic quality. The three-dimensional backrest provides ideal support, while all the edges point away from the occupant's body, in order not to cut into it. The chair is available with tubular metal frame legs for efficient stacking and furnishing of both domestic and contract environments.

Dimensions:

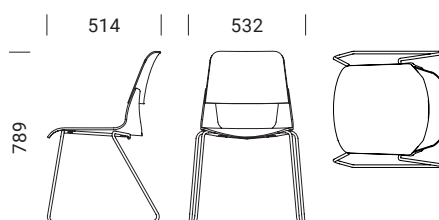

532 × 514 × 789 mm (L×W×H)
