PLYDESIGN

Slowing down, having a cup of coffee or tea paired with a cookie and reading a magazine is a perfect way to relax. MOTHERSHIP tea table with metal base is a synergy of French bistro ambience and Scandinavian type of self-care – a visual and physical break spending with yourself or engaging a meaningful conversation with a friend. The tea tables come in two sizes, both with round and square tabletop. They are lightweight, but also very stable and sturdy at the same time.
